I understand and agree that my meeting with Attorney Nana Amoako is only a consultation and does not mean that Attorney Amoako is my lawyer or has agreed to represent me in this or any cases I may have. I agree that if after the consultation I decide to retain Attorney Amoako as my lawyer, I shall sign a contract for legal services to that effect. I further understand that such contract for legal services shall state, among other things, the legal services to be provided and fees to be charged.
